GEN. FRANK BLAIR'S LETTER ACCEPTING THE NOMINATION FOR VICE-PRESIDENT.

OMAHA, NEBRASKA, July 13, 1868.

General George W. Morgan, Chairman Committee National Democratic Convention:

GENERAL:—I take the earliest opportunity of replying to your letter notifying me of my nomination for Vice President of the United States by the National Democratic Convention recently held in the city of New York.

I accept without hesitation the nomination tendered in a manner so gratifying, and give you and the Committee my thanks for the very kind and complimentary language in which you have conveyed to me the decision of the Convention.

I have carefully read the resolutions adopted by the Convention, and most cordially concur in every principle and sentiment they announce.

My opinion upon all of the questions which discriminate the great contending parties have been freely expressed on all suitable occasions, and I do not deem it necessary at this time to reiterate them.

The issues upon which the contest turns are clear, and cannot be obscured or distorted by the sophistries of our adversaries.—They all resolve themselves into the old and ever-renewing struggle of a few men to absorb the political power of the nation. This effort, under every conceivable name and disguise, has always characterized the opponents of the Democratic party, but at no time has the attempt assumed a shape so open and daring as in this contest. The adversaries of free and constitutional government, indefiance of the express language of the Constitution, have erected a military despotism in ten of the States of the Union, have taken from the President the powers vested in him by the supreme law, and have deprived the Supreme Court of its jurisdiction. The right of trial by jury, and the great writ of right, the *habeas corpus*—shields of safety for every citizen, and which have descended to us from the earliest traditions of our ancestors, and which our Revolutionary fathers sought to secure to their posterity forever in the fundamental charter of our liberties—have been ruthlessly trampled under foot by the fragment of a Congress. Whole States and communities of people of our own race have been attainted, convicted, condemned, and deprived of their rights as citizens, without presentment, or trial, or witnesses, but by Congressional enactment of *ex post facto* laws, and in defiance of the constitutional prohibition denying even to a full and legal Congress the authority to pass any bill of attainder or *ex post facto* law. The same usurping authority has substituted as electors in place of the men of our own race, thus illegally attainted and disfranchised, a host of ignorant negroes, who are supported in idleness with the public money, and combined together to strip the white race of their birthright, through the management of Freedmen's Bureaus and the emissaries of conspirators in other States; and, to complete the oppression, the military power of the nation has been placed at their disposal in order to make this barbarism supreme.

The military leader under whose prestige this usurping Congress has taken refuge, since the condemnation of their schemes by the free people of the North in the elections of the last year, and whom they have selected as their candidate to shield themselves from the result of their own wickedness and crime, has announced his acceptance of the nomination, and his willingness to maintain their usurpations over eight millions of white people at the South fixed to the earth with his bayonets. He exclaims: "Let us have peace." "Peace reigns in Warsaw" was the announcement which heralded the doom of the liberties of a nation. "The Empire is peace," exclaimed Bonaparte, when freedom and its defenders expired under the sharp edge of his sword. The peace to which Grant invites us is the peace of despotism and death.

Those who seek to restore the Constitution by executing the will of the people condemning the reconstruction acts, already propounced in the elections of last year, and which will, I am convinced, be still more emphatically expressed by the election of the Democratic candidate as the President of the United States, are denounced as revolutionists by the partizans of this vindictive Congress. Negro suffrage, which the popular vote of New York, New Jersey, Pennsylvania, Ohio, Michigan, Connecticut, and other States, have condemned as expressly against the letter of the Constitution, must stand, because their Senators and Representatives have willed it. If the people shall again condemn these atrocious measure by the election of the Democratic candidate for President, they must not be disturbed, although decided to be unconstitutional by the Supreme Court, and although the President is sworn to maintain and support the Constitution. The will of a fraction of Congress, reinforced with its partisan emissaries sent to the South, and supported there by the soldiery, must stand against the will of the people and the decision of the Supreme Court and the solemn oath of the President to maintain and support the Constitution!

It is revolutionary to execute the will of the people! It is revolutionary to execute the judgment of the Supreme Court! It is revolutionary in the President to keep inviolate his oath to sustain the Constitution! This false construction of the vital principle of our Government is the last resort of those who would have their arbitrary revolution-ize away and supers de our time honored institutions. The nation will say the Constitution must be restored, and the will of the people again prevail. The appeal to the peaceful ballot to attain this end is not war—is not revolution. They make war and revolution who attempt to arrest this quiet mode of putting aside military despotism and the usurpations of a fragment of a Congress, asserting absolute power over that benign system of regulated liberty left us by our fathers. This must be allowed to take its course. This is the only road to peace. It will come with the election of the Democratic candidate, and not with the election of that malted warrior whose bayonets are now at the throats of eight millions of people in the South, to compel them to support him as a candidate for the Presidency, and to submit to the domination of an alien race of semi-barbarous men. No perversion of truth or audacity of misrepresentation can exceed that which hails this candidate in arms as an angel of peace.

I am, very respectfully, your most obedient servant.

FRANK P. BLAIR.

RATIFICATION MEETING IN NORFOLK.

A large and enthusiastic meeting of the Democratic and Conservative people of Norfolk, Va., was held on Wednesday evening.

Col. D. M. Carter, of this State, was one of the invited speakers. The *Virginian* furnishes the following abstract of his remarks:

"Colonel Carter commenced by saying that it always afforded him great pleasure to meet his fellow subjects formerly his fellow-citizens—of this military district, once the proud old State of Virginia. Her hospitality was known over the world, and was inherent in the humblest private to the exalted Lee. At the beginning of the war, when her homes were blessed with plenty, her hospitality was exhibited to the stranger from every State in a magnificent manner; when war had desolated her fair lands and reduced her people to starvation, even then the poor widow would divide her last crust in that spirit of innate hospitality.—The struggle was now over—perhaps forever; and we were drawn together to discuss the great duties growing out of the present condition of the country. It had been over three years since the close of the war, and instead of the promised restoration of the Union, for which it was fought, by the machinations of a powerful and unprincipled party, we found nothing but disunion. The distressed condition of the country under the iron heel of despots had been wrought about by a rump Congress, which broke the manacles from our slaves only to rivet them upon us.

He said that the reconstruction scheme of Congress commenced in iniquity, and had been the means of patching the Constitution until it was now like a negro's shirt, and that any government established under the Radical idea of that sacred and cherished instrument of our fathers must of course be a negro government, as it excludes all the talent from its deliberations and takes in all the barbaric influences of the negro race. He congratulated Virginia that she was still free from the workings of the infamous scalawag and negro Constitution patched up for her in Richmond, and alluded to his own gallant State, under the rule of Holden, with his 17,000 Springfield rifles to keep her subjugated and under the control of Radicalism, and to carry the State in the Presidential election for Grant, who with a gigantic stride trampled upon all the flowery walks of peace for party ends."

We regret exceedingly that we have not the space to publish Mr. Carter's remarks entire, as it was one of the most clear, concise and incontrovertible arguments to which we ever listened. He called upon Virginia to assert her rights and vote under her Constitution for Seymour and Blair.—Kansas had done so on a former occasion, and in this respect it was well enough to copy from our enemies. Virginia and North Carolina were side by side in the issue, and the threats of bayonets or dungeons would not deter them in their purpose. They were not to be bullied, and would yet beat the Radicals at the ballot-box, and thus restore peace to the country and Virginia to the Union.

The speaker closed his address amid deafening cheers."

NATIONAL DEMOCRATIC TICKET!

FOR PRESIDENT,

HON. HORATIO SEYMOUR,

OF NEW YORK.

FOR VICE PRESIDENT,

GEN. FRANK P. BLAIR,

OF MISSOURI.

REPUBLICANISM (?)

Congress has proceeded against the Southern States in its acts of usurpation and unwarranted interference, upon the false and hypocritical plea that they were without Republican Constitutions, and that the Constitution obliged the Federal government to guarantee to them Republican governments. The profession was, of course, hollow-hearted and insincere, and without a shadow of authority. What kind of Republican government is that which enfranchises an ignorant, degraded, half civilized race, making them the rulers of the government, while it allows and encourages them, by its own example, to ostracise thousands of the most intelligent and most worthy portion of society, and the former governing class?

The new Constitution, so far from being Republican, ignores its first principles, in that it discards the doctrine of the frequency of elections, as the chief protection of the people against bad and incompetent rulers. Look at the provision for electing Executive officers only once in four years.—The people will see the folly of this, in a few months, when they have a little experience of the extravagance and incompetency of the bogus officers now controlling affairs. The General Assembly, instead of checking the tendency of taking away power from the people and placing it in fewer hands, has gone directly in the face of this vital principle of Republicanism, and, in the passage of several bills, has ignored the people altogether and conferred upon "Gov." Holden more power than any ten Governors of North Carolina ever possessed before.—The Radicals of Congress have carried on continual war with the President, taking away his power as dangerous to the government, while the Radicals of the General Assembly are taking every opportunity to ignore the people and to confer upon "Gov." Holden almost unlimited power and patronage.

Can such Republicans as Mr. Winstead, Mr. Lassiter, Dr. Barrow, Mr. Beasley, Lt. Gov. Caldwell, and others of the Senate and House, satify their constituents of the wisdom and safety of their policy? Can they reconcile such a position with their life long professions and predilections? The more respectable portion of the Republican members of the Senate and House, who ought to know better and *do* know better, are making for themselves a most damning and dangerous record, in confiding power to hands untrustworthy and totally unreliable. A life of political deception, change and hypocrisy ought to warn even the most simple and unwary of the danger of committing too much to the control of such a helmsman. The day of reaction will come speedily, and terrible will be the reckoning which the people will make,—not against the ignorant and blinded, but against those who knew their duty and did it not!

COL. DAWESES.—It appears, from the telegram, which was published, on yesterday, that the Illinois carpet-bagger, who represents the negroes of this District in Congress, made a regular *bust* in the House of Representatives, on Thursday, which only had the effect of exciting "mirth" and ridicule. Dewesse is about the first of the carpet-baggers to open his mouth in the House, and his *debut* was characteristic.—Those who heard him on the campaign are not surprised that he provoked laughter. It is said that he sways his arms like a pump-handle and fumes and blubbers like a first class soap-boiler.

Col. Dewesse is not a genuine lion, but only a "Snug, the Joiner," sort of a lion. He don't really wish to scare anybody. His vaporings and big words are but necessary gas-escapes. He told the people of Washington, in a speech at a Radical Ward meeting, just before the Chicago Convention, that if President Johnson was not impeached, *he* could not return South. When subsequently asked, in this city, if he did not know that he was stating what was not so, we have been told that he replied: "Oh! it was necessary to say something for a sensation," or words to that effect. So it was, on the occasion of Dewesse's Congressional rampage, the other day. He wanted to create a sensation,—"only this and nothing more." He succeeded, evidently, for, the telegraph informs us, he provoked the "mirth" of everybody.

GEN. BLAIR'S LETTER OF ACCEPTANCE.—We take great pleasure in directing attention to Gen. Frank P. Blair's admirable letter of acceptance of the National Democratic nomination for the Vice-Presidency, which will be found upon our first page, this morning. It is eloquent, patriotic and Jacksonian. As the Richmond *Dispatch* observes, the masses are partial to bold men in times of trouble. This letter utters no uncertain sound. It proves its author to be cut out for a leader. The people will rally to his standard if they are not indeed unworthy descendants of their revolutionary ancestors.

A young lady having bought a pair of shoes a number too small, sent them to a second-hand store to have them sold; whereupon the Teutonic shopkeeper advertised them in his window as follows: "For sale—A tight lady's shoes."

A man out West shot himself dead to free himself from rheumatism. The cure is called a remarkable one.

MEETING OF THE TRUSTEES OF THE UNIVERSITY—EX GOV. MANLY.

A meeting of the new "Board of Trustees" of the University was held in the Senate Chamber, on Thursday afternoon.—"Lt.-Gov." Caldwell presided and Mr. R. W. Lassiter acted as Secretary. We learn that the only *business* feature of the meeting was the appointment of an Executive Committee, consisting of Messrs. Bodman, Settle and J. F. Taylor, to act in conjunction with the "Board of Education" in the consideration of matters relating to the University.

After the inauguration of the Board, the venerable Treasurer and Secretary of the University, Hon. Charles Manly, who had been invited to attend the meeting, rose and surrendered his office of Treasurer and Secretary,—a trust which he had so long and so faithfully filled. He presented a written report, exhibiting an account of receipts and disbursements during the current year, and showing that the balance on hand, to wit: $2,468.73, was deposited in the National Bank, in Raleigh. It contained an inventory of the Stocks, Bonds and Assets of the institution, in his hands, and then proceeded as follows:

"I hereby surrender to your honorable body a large amount of valuable papers, records, and books; the Journals and Ledgers and Minutes of the Board from the foundation of the Institution to the present time,—and here I may be allowed to quote part of an unfinished report of a special Committee of the Legislature, appointed to examine the affairs of the University:

'In fulfilment of the duties assigned them, your Committee, on the suggestion and on the request of Hon. Charles Manly, the Treasurer and Secretary of the Board, adjourned to his office to make examination of the records and archives in his possession, and particularly to look into his accounts as Treasurer of the Institution.—Upon reference to the minutes of the Trustees, it is shown that Gov. Manly was, on motion of the late Col. Wm. Polk, appointed Treasurer and Secretary on Nov. 21st, 1821, and that he has continued in these offices to the present time, except during the period that he was in the Executive office, when the late Maj. C. L. Hinton officiated in his stead.

Your Committee report that the minutes and records of the University have been well kept and preserved, and arranged in regular and lucid order. Separate bundles or files for each year, containing reports, correspondence and promiscuous papers, have been regularly made up and marked with the proper year for ready reference.—The minutes of the Board, well recorded in large folio volumes, contain a plain and lucid epitome of the financial condition of the Institution through this long period.—The Treasurer invariably, for the last forty-five years, presented to the Board, at every annual meeting, a full report and statement of the finances during the year, setting out, in detail, every item of receipts and disbursements during the year. These exhibits have been, at every annual meeting, referred to a select Committee of the Board, who examined and passed upon them and the vouchers for the expenditures, and made their report, in writing, to the Board, verifying their accuracy in every instance.

Copies of these reports have, by the Governor of the State, for the time being, been communicated to the General Assembly and printed and distributed for general information. Your Committee find that these reports of the Treasurer and of the several Committees have been regularly spread at large on the minutes, from year to year, the balances on hand regularly and duly carried forward and credited in each succeeding annual account—thus exhibiting, in a plain and intelligible manner, the fiscal condition of the Treasury, at all times, during a period of nearly fifty years.

The original reports of the Treasurer and of all the Committees thereon have been all carefully preserved and are now on file, in their appropriate packages, from 1821 to 1866."

Gov. Manly's report then closes as follows:

"In conclusion I may be allowed an old man's privilege, and say that I take leave of these books and papers, with deep and unaffected pain. They appear to be the friends and associates of fifty years, of the better part of my manhood; they awaken days that are gone; they recall scenes and incidents, connected with many of the most eminent men of the State, and they form a page in the annals of North Carolina, unstained and ineffaceable. In them you may trace the financial history of the Institution through her perils, tribulations and poverty, and see how, through the patriotic exertions of her Trustees, her finances and means were improved and enlarged, until she was raised to a condition of ease and affluence. Here you may mark her humble beginning as a Grammar School, may trace her gradual and steady rise in reputation and influence, till, through the noble and sustained efforts of her first President, Joseph Caldwell, and the still more extended and successful policy of her last President, David L. Swain, and the unremitting labor of her noble band of Professors and Teachers, she became the just pride of the State, distinguished among the most elevated Institutions in the whole country. Here are the scholastic footsteps of her thousand young men, pursuing their curriculum to the final goal of their Collegiate course, when, leaving her Academic groves, her Alumni have gone forth to fill and adorn the highest places in the nation. They fill the pulpits and bar and bench and national councils. You will find them in the highest offices in the gift of the American people,—Governors, Senators, Ministers abroad, in the Cabinet at home, and in the Presidential Chair.

God grant that her sun may never set; that, under your government, her effulgence may grow brighter, and that her usefulness may increase more and more throughout all time!"

After the report was read, it was referred to a select Committee for examination, and the following resolution was unanimously adopted:

Resolved, That the thanks of the Board of Trustees of the University of North Carolina be tendered to Gov. Charles Manly, for his long, faithful and useful services as Secretary and Treasurer of the Board of Trustees, with the assurance that, in our opinion, they will be long and highly appreciated by the people of the State.

And yet this venerable and faithful officer, who has served the State and the Institution so long and efficiently, is *proscribed*, for the great offence of a *political* difference!

GENERAL ASSEMBLY OF NORTH CAROLINA.

BY AUTHORITY OF CONGRESS.

FIRST SESSION.

SENATE.

FRIDAY, July 24, 1868.

The Senate was called to order at 10 o'clock.

Prayer by the Rev. Henry Eppes, (negro,) Senator from Halifax.

Mr. Osborne presented the credentials of the Hon. Bedford Brown, Senator elect from Caswell County.

On motion of Mr. Lassiter, they were referred to the Committee of Investigation.

INTRODUCTION OF RESOLUTIONS.

By Mr. Sweet: A resolution authorizing the Treasurer to negotiate a loan, not to exceed $100,000, to supply a present deficiency.

By Mr. Blythe: A resolution providing for holding evening sessions, from and after to day.

The following bills came up and were disposed of as follows, viz:

A bill in relation to the late Courts of Equity; referred to the Committee on the Judiciary.

A bill to amend chap. 42, sec. 6, of the Revised Code, entitled "Entries and Grants"; passed its second reading.

A bill to change the time of listing and collecting the County and State taxes; referred to the Committee on Finance.

A resolution instructing the Committee on Salaries and Fees to report a bill, fixing the salaries of Executive and Judicial officers; laid on the table.

A resolution instructing the Board of Education to prepare and report a plan and code of laws for the organization and maintenance of a system of Free Schools throughout the State; adopted.

A bill to increase the capital stock of the Western North Carolina Railroad; referred to the Committee on Internal Improvements.

A bill to require the Trustees for the University of North Carolina to reside in the counties for which they are chosen.—[This bill was amended by inserting "those who may be chosen hereafter."]

Messrs. Osborne and Robbins argued that the amendment was contrary to the meaning of the Constitution, and therefore opposed it.

The bill, as amended, passed its second reading and was ordered to be engrossed.

A bill ratifying and confirming the Charter of the North Western North Carolina Railroad Company; referred to the Committee on Internal Improvements.

A bill to extend the Chatham Railroad was made the special order for Tuesday next, at 11 o'clock.

A resolution was reported from the Joint Committee on *per diem* and mileage, allowing the Speakers $10 per day, Clerks $7, Members $7, Doorkeepers $7 and Pages $3, with 20 cts. mileage.

Mr. Sweet moved to amend as follows: "Speakers $10, Clerks $7, Members $6," and strike out "Pages."

Mr. Robbins moved to amend as follows: "Speakers $8, Members $5, Clerks $5, Doorkeepers $5," and strike out "Pages."

Mr. Shoffner was in favor of $12 for Speakers, $8 for Members, and other officers in proportion.

Mr. Cook offered to amend by allowing Speakers $15, Members $4, Clerks $8 and $7, Doorkeepers $6 and $5, and Pages $2.

Mr. Rich moved to amend by allowing Speakers $12, Members $8, Clerks $8, Doorkeepers $8.

Mr. Davis moved to amend by allowing Speakers $8, Clerks $6, Members $5, Doorkeepers $5, and 20 cents mileage.

All of the foregoing amendments were lost, and the report of the Committee was rejected, by the following vote:

Those who voted in the affirmative are: Messrs. Bellamy, Brogden, Etheridge, Eppes, (negro,) Galloway, (negro,) Long, Martindale, Moore, of Carteret, Rich, Respass, Smith and Shoffner.

Those who voted in the negative are Messrs. Barnes, Burns, Blythe, Colgrove, Cooke, Davis, Eaves, Forkner, Hayes, Hyman, (negro,) Jones, of Wake, Lindsay, Lassiter, Moore, of Yancey, Melchor, Mason, Osborne, Purdie, Richardson, Robbins, Sweet, Welker, and Wynne.

Several hours were consumed in the discussion of this resolution and the amendments offered.

A. H. Galloway, (negro,) said if Gen. Frank Blair was elected, he would disband this body, and he wanted pay enough to have something to get out of the State before he was "assassinated." So far as liberal *per diem* being unpopular was concerned, it was a matter of no consequence. The Republican party was *strong* enough to carry any measure through,—that is the men folks, not the women.—When the opposite party were in power, they enjoyed the spoils, and he was in favor of following suit. During those times, when *they* had the reins, he had been charged double fare on Railroads, when Conservatives were riding on the same train without charge, &c.

Mr. Wynne also addressed the Senate in favor of a liberal *per diem*, and contended that Republican members should have some compensation for the proscription, ostracism and "crucifixion" to which they were subjected, socially and otherwise. He asserted that there were not *five respectable white men*, in the county of Franklin, who supported the Republican ticket, and that not more than that number would recognize him when he returned home, &c., &c.

[NOTE.—The Reporter despairs of being able to report Mr. Wynne. His feelings were overpowered and he—wept.]

The discussion was also participated in by Messrs. Osborne, Robbins, Sweet, Shoffner and Cook.

Without coming to any definite conclusion in the matter of fixing *per diem*, &c., the Senate adjourned.

After some discussion, the bill was, on motion of Estes, ordered to be printed.

By Stevens: A bill to repeal that provision in the Revised Code, that provides that 30 days' notice shall be given in contested elections. Lies over.

On motion of Justice, of Rutherford, the House then adjourned.

SWEARING IN CARPET-BAGGERS.—When these members from Alabama presented themselves at the Speaker's stand to be sworn in, considerable interest and amusement was excited by a colloquy between Mr. Dawes, the chairman of the Committee on Elections, and Mr. Brooks, of New York. Brooks, who, according to Mr. Dawes, always gets off a speech on such occasions, objected to the members from Alabama being sworn in, because, he said, they were not citizens of the State, and had not been elected by the people. One of them, he said, was from Maine. Whereupon Dawes inquired where Brooks was from. The latter replied sharply that he was born in Maine, but that when he left the State, many years ago, he came to New York with a trunk.

This hit at the carpet-baggers created great laughter among the Democrats, and the Republicans manifested their disgust by calling Brooks to order. The latter is already familiarly known among the carpet-baggers as a trunk member. Ross, of Illinois, who is a Democrat, and who has a tendency to be witty on such occasions, walked down the aisle to where the Alabama members were standing, and, looking deliberately at Mr. Pierce, who formerly lived in Illinois, said he was a constituent of his, and he would not object to him. During all this time the carpet-baggers stood amazed and embarrassed under the gaze of the spectators in the galleries and the insinuations of Brooks as to their places of birth.—When they were finally sworn in they retired, greatly relieved, to their seats in the rear of the Hall.—*Wash. Cor. New York Herald.*

SHARP PRACTICE.—The Norfolk *Journal* is responsible for the following:

"By a letter from our correspondent in Williamston, N. C., we learn that two of the scallawags from that section of the State had gone up to Raleigh, for the purpose of soliciting office from Holden.

Both were after the same office, and scallawag No. 1., making immediate suit to Holden, got it on Saturday, the 11th. inst., and was to call on Monday to qualify, get his commission, &c. No. 2, becoming aware of this, invited No. 1 out with him to take a buggy ride on Sunday, proposed a drink, then another, and finished by getting No. 1 on a full high bender of a spree, which lasted for nearly a week.

When he came to himself, he found that his buggy friend, scallawag No. 2, had gone to Holden on Tuesday, got his office, qualified, got his commission, and had gone home victorious, a c[illegible] possessor of a fifteen hundred dollar office."

The New York *Times* fears the Democratic majority in that city next fall may reach 90,000 votes.

COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:
Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, pleasant, and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to T. M. JONES,

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August, 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement, of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages its friends to believe that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest, as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land; while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

STATE DEMOCRATIC CONVENTION.

The Democratic and Conservative members of the Legislature have determined to call a Convention of the Democratic and Conservative citizens of the State, to meet in Raleigh, on THURSDAY, THE 13TH. DAY OF AUGUST, 1868, to organize for the approaching Presidential campaign; and the undersigned have been appointed a Committee to urge the Democratic and Conservative citizens of the State to hold primary meetings, at once, in their respective counties, and appoint delegates to this Convention. It is hoped that every county in the State will be fully represented by delegates or by proxy.

The National Democratic Convention have recently nominated candidates for the high offices of President and Vice President of the United States, and placed them upon a platform of principles, which commends the selections there made to the support of every good and patriotic citizen.

The struggle is between Liberty and Despotism! Let every good man come to the rescue!

COUNTY CONVENTION.

We are requested to announce that a Convention of delegates, from each Captain's District in the County of Wake, will meet at the Court House, in Raleigh, on the second Saturday, (being the 8th. day,) of August next, to appoint delegates to attend the Democratic State Convention, and to make such other arrangements as may be deemed necessary.

Our friends throughout the County are urged to hold meetings at once, to send delegates, and to form SEYMOUR and BLAIR Clubs.

All the friends of Seymour and Blair are invited to attend the County Convention.

SECOND DISTRICT CONVENTION.

At a meeting of Beaufort SEYMOUR and BLAIR Club, held this evening, the following resolution was unanimously adopted and ordered to be published:

Resolved, That, on account of the warmth of the season, and the salubrity of our climate, we respectfully recommend to our fellow citizens of the Second Congressional District, that our District Convention be held in the town of Beaufort, on the 27th. of August.

NEW ADVERTISEMENTS.—Metropolitan Hotel (formerly Brown's) Washington, D. C.: Potts & Shelley, Proprietors

Rib Sides, Breakfast Bacon, Baltimore Hams, Roe Herrings, Grocers' Molasses, &c: Douglas Bell, Fayetteville Street.

RELIGIOUS SERVICES.—We are requested to state that the Rev. Jno. S. Kirkpatrick, Professor of Moral Philosophy in Washington College, Lexington, Va., will preach in the Presbyterian Church, in this City, tomorrow forenoon and afternoon. Service in the morning at 10 o'clock, and, in the evening, at 5 o'clock.

MUNICIPAL!—THE NEW MONDREL REGIME!!—NEGRO POLICE!!!—We learned at too late an hour, last evening, for comment, this morning, that the new "Board of Commissioners" (heretofore announced—two negroes being among Holden's appointees,) met on yesterday afternoon and organized under the unconstitutional act of the bogus Legislature. The following elections were made by the Board:

Chief Constable.—Major Martin, Yankee.
Assistant " Bryan Lunn, *alias* Towers, negro.

NIGHT POLICE:

—— Scales, *Captain*; —— Straughan, Wesley Hunter, negro, Bryant Dinkins, Sim Craven, negro, Caswell Hood, Bob Crossan, negro.

This is the "beginning of the end." We learn that this horrible insult to the community was consummated at the "Executive Office," where the new authorities met.

KITTRELL'S SPRINGS FEMALE COLLEGE.—We understand that the Seventh Session of this excellent Institution of learning has opened with between 75 and 100 *boarders*. This is wonderful for the times, and speaks volumes for the popularity and efficiency of the Rev. Mr. Riddick, the accomplished President.

SECOND CONGRESSIONAL DISTRICT.—It will be seen that our friends at Beaufort, in view of the salubrity of the location and the warmth of the weather, suggest that place as a proper one for the assembling of the District Convention to nominate a candidate for Elector, &c. This strikes us as a good idea.

MEETING AT GULLY'S.—The proceedings of the Seymour and Blair Ratification meeting at Gully's Mill will be found in another column. We learn that the meeting was, every way, a very fine one,—between four and five hundred ladies and gentlemen being present. The spirit was most enthusiastic, and able and effective speeches were made by M. A. Bledsoe, Esq., of this City, and Dr. J. T. Leach, of Johnston. The latter gentleman planted himself squarely upon the platform of the National Democratic Convention.

RADICAL CAUCUS.—The Radicals had quite a full caucus on Thursday night, we learn. The subject of "removing disabilities," instead of the Police or Militia bill, formed the chief matter of discussion. The caucus, we hear, was exceedingly bitter and vindictive. Old man Blythe, who has not yet recovered from the effects of the violent persecutions of the Conservatives, who were guilty of the great offence of saying that he and other Radicals "were friends of negro suffrage," was particularly violent.—hon. john pool, we learn, was also present, and we are told delivered the most out-and-out proscriptive speech which has been heard for many a day. He gloried in that he got to Washington in time to prevent the removal of the disabilities of Hon. Josiah Turner, and other good and true men. Mr. *technical* pool eulogised Col. Dewecse and other carpet-baggers. He has at last found his level. The man who could tell Senator Doolittle, that *he* could take the *test oath* but for a technicality—that *he* was a consistent Union man all the time, when he voluntarily consented to be run as a Presidential elector for Jefferson Davis, when he applied to an influential friend or friends to get for him the position of Brigadier General in the Confederate army, when he made voluntary speeches urging the people to invest their money in Confederate bonds,—the man who wrote, during the war, to a Confederate General, General M. W. Ransom, we learn, to send him a company of soldiers into Bertie to protect him and other loyal Confederates from the depredations of the Buffaloes,—and the man who authorized Senator Doolittle to say, in the United States Senate, that he, the hon. john pool, consented to be elected to the North Carolina Senate, from Bertie county, for *the purpose of embarrassing* the Confederate cause, when he knew that, in order to become a member of that Senate, he was compelled to take, and did take, a solemn oath to support the *Constitution of the Confederate States*,—such a man, we say, will find suitable affiliation among the men whom he has selected as his allies and associates.

The caucus, we learn, adopted a resolution instructing the North Carolina delegation to oppose the removal of the disabilities of every Conservative, who does not present a recommendation, signed by the *Secretary of the Republican State Executive Committee!*

THE PEOPLE MOVING.—A Seymour and Blair Club was formed in Greensboro', on the 21st. The meeting was a large and enthusiastic one. Col. Chas. E. Shober presided. Ralph Gorrell, Esq., and P. F. Dutfy, Esq., made effective speeches. The following permanent officers of the Club were elected, viz: D. F. Caldwell, Esq., President; C. P. Mendenhall and A. P. Eckel, Esqrs., Vice Presidents; R. H. Albright, Secretary and Treasurer; Lyndon Swaim, Esq., Corresponding Secretary; and P. F. Duffy, Esq., Col. Jas. T. Morehead, Hon. J. R. McLean, and Messrs. S. C. Dodson and Jno. B. Gretter, Executive Committee. A large Mass Meeting is to be held "on the day heretofore known as Tuesday of August Court, to show some regard for that popular holiday—now, alas! with a good many more of our time-honored institutions, *gone up*."

The Democrats and Conservatives of Rutherford are to hold a Mass Meeting in Rutherfordton, on Monday next.

The Democrats and Conservatives of Rowan will hold a Mass Meeting in Salisbury, on the 1st. day of August, for the purpose of ratifying the nominations of the New York Convention, and appointing delegates to the State Convention at Raleigh

THE WILMINGTON RATIFICATION MEETING.—The Democratic and Conservative mass meeting in Wilmington, on Wednesday night, was a grand affair. Amid the blaze of bonfires and the music of the Band, the large Theatre was rapidly filled to overflowing by an anxious, eager audience. Many fair ladies honored the occasion with their presence. The stage was tastefully decorated with national ensigns, above all of which was hung a large banner containing the names of our candidates. The Hon. Geo. Davis was called on to preside, with Messrs. John C. Bailey, S. A. Ashe, W. W. Harris, W. B. Flanner, J. J. Hedrick, P. Heinsberger, I. B. Grainger, S. S. Radcliff, John Colville, M. M. Katz, H. A. Bagg and J. P. Devine, as Vice Presidents, and R. B. Wood, Jr., and C. H. Robinson, as Secretaries.

The *Journal* speaks in glowing terms of the able and eloquent speeches of Mr. Davis, Col. R. H. Cowan and Major Robert Strange.

HOW TO GET SLEEP.—This is to many persons a matter of high importance.—Nervous persons, who are troubled with wakefulness and excitability, usually have a strong tendency of blood on the brain, with cold extremities. The pressure on the brain keeps it in a stimulated or wakeful state, and the pulsations in the head are often painful. Let them arise and chafe the body and extremities with brush or towel, or rub smartly with the hands to promote circulation, and withdraw the excessive amount of blood from the brain, and they will fall asleep in a few moments. A cold bath, or a sponge bath, and rubbing, or a good run or rapid walk in the open air, or a going up and down stairs a few times just before retiring, will aid in equalizing circulation and promote sleep. These rules are simple and easy of application, and may minister to the comfort of thousands.

THE MISSISSIPPI ELECTION.—General Gillem's official report of the election in Mississippi was received at army headquarters from Major Tyler, of Gen. Gillem's staff, who was detailed to bring it to Washington. The report shows 155,151 voters registered, and 120,091 votes cast on the ratification of the Constitution; of which 56,221 were for ratification, and 63,860 against—making a majority of 7,629 against. Humphries the Democratic candidate for Governor, was elected by about the same majority, and four Democrats and one Republican were elected to Congress. Gen. Gillem expresses the opinion that the *election was fairly conducted, and that it was as free from intimidation or the influence of fraud as could be expected under existing circumstances.*—*Wash. Cor. New York Times.*

PUBLIC MEETING AT GULLY'S MILL.

A very large number of the ladies and gentlemen of Panther Branch District assembled at Gully's Mill, on Thursday, the 23rd inst.

The meeting was organized by calling to the Chair Joseph J. Young, Esq., and Henry B. Jordan to act as Secretary.

On motion, a Committee of three, consisting of Simon Smith, Simon S. Turner and B. H. Jewell, was appointed to report business for the meeting.

After consultation, the Committee reported the following resolutions, which were unanimously adopted:

Resolved, That we heartily endorse the platform of principles adopted by the Convention of the National Democratic Party, recently held in the city of New York, and we hereby pledge our unwavering and energetic support to Seymour and Blair, the nominees of the Convention and the standard-bearers of constitutional liberty.

Resolved, That we approve of the calling of a Democratic and Conservative Convention, to be held in the city of Raleigh, on the 13th of August next.

Resolved, That the County of Wake ought to be represented in said Convention, and we, therefore, propose to hold a County Convention of the friends of Seymour and Blair, in the city of Raleigh, on the second Saturday in August, for the purpose of forming a County Seymour and Blair Club and appointing delegates to the State Convention.

Resolved, That the Chairman of this meeting appoint twenty delegates to represent Panther Branch District in said County Convention.

Whereupon, the Chairman appointed the following gentlemen delegates to said Convention:

J. J. Young, W. D. Turner, Alfred Myatt, W. H. Rand, S. M. Utley, Ransom Gully, E. H. Wilson, Lynn Banks, J. W. Jones, J. L. McCullers, B. F. Walton, S. M. Williams, H. O. On motion, ordered, that these proceedings be published in the *Sentinel*.

On motion the meeting adjourned.

RAIL ROAD MEETING.

On the 13th. day of July, 1868, quite a large portion of the citizens of Watauga County, N. C., assembled in the Court House, in Boone, for the purpose of taking into consideration the building of a Rail Road from the Tennessee line, near Taylorsville, Tenn., to connect with the Western Extension N. C. R. Road at or near Hickory Tavern.

On motion, Col. Jonathan Horton was called to the Chair, and D. B. Dougherty and D. P. Mast were requested to act as Secretaries.

The meeting was addressed by Col. Jas. Wm. Grayson, of East Tenn., Maj. W. H. Malone, of Caldwell, and Col. Wm. Horton, of Watauga, with very eloquent and appropriate speeches, exhibiting in quite a forcible and impressive manner the great and numerous advantages of Railroads, the vast resources which Watauga and adjoining counties afford, and urging the people to press forward in the noble enterprise.

After which, the following resolutions were unanimously adopted viz:

Resolved, That we heartily approve of making a united and zealous effort to insure the building of a Railroad, leading from a point on the Tenn. life, near Taylorsville, Tenn., to some point on the Western Extension, N. C. R. R., at or near Hickory Tavern, passing through the counties of Watauga and Caldwell.

Resolved, That we request our present members of the Legislature to use their influence to procure, if possible, a charter for the building of a Railroad, beginning at the Tenn. line, near Taylorsville, Tenn., and leading to a point at or near Hickory Tavern on the W. E. N. C. R. R.

Resolved, That we invite the cordial co-operation of all the counties interested in this enterprise to secure the complete success of the same.

Resolved, That the Secretaries be requested to send a copy of these proceedings to the members of the Legislature, representing the counties interested in this enterprise, and, also, that a copy of these proceedings be sent to the Raleigh *Standard* and *Sentinel*, and to the Abingdon *Virginian*, with the request for their publication.

AFFECTING.—The Memorial Association of Danville, Va., are exhuming the dead bodies of Confederate soldiers buried at that place during the war, preparatory towards interment in the new cemetery. In opening a coffin that was taken up—THERE, found upon the breast bone of the skeleton patriot, was the picture of a beautiful woman, and on the back of this picture were written the words,—MY WIFE. His body was placed in the new made grave, and there, sheltering under the wave of blushing flowerets, lie the dead bones of the Southron and the picture of the beautiful woman, who, in her widowed home, "the lone watch still is keeping."—*Milton Chronicle.*

Our Afternoon Dispatches.

FROM WASHINGTON—CONGRESS—MR. DAVIS.

WASHINGTON, July 24, M.

Hon. Jefferson Davis goes to Richmond to consult his old family physician, regarding injuries sustained by a recent fall.

The Senate, last night, made a large number of minor confirmations.

Tremendous rains North; telegraph not working.

FROM RICHMOND.

RICHMOND, July 24, M.

One of the securities on the official bond of A. L. Wigand, Collector of the City taxes, having withdrawn, the City Council, last night, appointed a Committee to receive the books and money from him.

Wigand, this morning, refused to give them up, claiming that the Council was not a legal body, and he, having been appointed by the Military, could not obey their order.

Gen. Schoeman was appealed to and issued an order, removing Wigand, and putting Edmund Winnie in his place. The Collector handed over his books and money, with a protest.

Our Midnight Dispatches.

CONGRESS—PASSAGE OF WILSON'S INFAMOUS VIRGINIA, MISSISSIPPI AND TEXAS BILL IN THE HOUSE—BUTLER.

WASHINGTON, July 24, P. M.

HOUSE.—A joint resolution, authorizing officers and soldiers to wear, on State occasions, the badges of the corps in which they served, passed.

The resolution for recess from Monday to the third Monday in September, after an exciting struggle, prevailed,—several Democrats changing their votes. Final vote 76 to 71.

The Reconstruction Committee reported a bill for the more speedy re-organization of Virginia, Mississippi and Texas. During the debate, Butler declared himself in favor of the bill, hopeless, however, of its becoming a law. The resolution to adjourn on Monday would defeat it.

He added that if the Republicans lost the Southern States, they could not object to their being counted against them, and if the Republicans won them, the President had said their governments were illegal, and their votes could not be counted; and the President held the purse, the sword and the Senate, "so far as heard from." The New York World claimed if Congress adjourned, every Southern State could be carried for the Democratic ticket. Butler believed Congress was simply losing time, considering this bill. If the reconstruction policy could stand, Congress ought to protect it. They ought to protect their action, their honor as legislators, and themselves.

Mr. Beck appealed to the House not to consign those States to *reckless adventurers*,—not to arm a negro constabulary against peaceful white inhabitants, but rather leave those States under the protection of troops of the United States.

The Bill passed by a strict party vote, except John Baker, of Illinois, who voted with the Democrats.

The bill as passed is as follows:

"*A bill to provide for the more speedy organization of the States of Virginia, Mississippi and Texas, and for other purposes:*"

"*Be it enacted, &c.*, That for the better security of persons and property in Texas, Virginia and Mississippi, the Constitutional Conventions of each of the said States, heretofore elected under and in pursuance of an act of Congress, &c., shall have, and are hereby authorized to exercise, the following powers in addition to the powers now authorized by law: To make removals and appointments in all offices of the provisional governments of said States respectively; to authorize the Provisional Governors of said respective States to remove and appoint registers and Judges of elections which Registers and Judges of elections shall not be eligible to any elective office under such Provisional Government, and shall observe the provision of said act of Congress to organize and maintain a constabulary force in each of the said States to preserve the peace and aid in the execution of the laws; to provide, by ordinance, for re-assembling said several Conventions from time to time, and for holding all elections authorized by said act of Congress, and for ascertaining and declaring the result of such elections, and especially, the result of any election which may be held for the ratification or rejection of any Constitution, which said several Conventions may submit to the people of either of the said States; and to pass such ordinances, not inconsistent with the Constitution and laws of the United States, as it may deem necessary to protect all persons in their lives, liberty and property.

Sections 2 and 3 are comparatively unimportant.

Sec. 4 provides that the fourth Wednesday after the passage of this act, the Conventions of Mississippi, and Virginia, shall re-assemble, and the said Convention of Mississippi shall proceed to frame a Constitution of State Government, and submit the same to the people, under and in pursuance of the provisions of the said acts of Congress and of this act.

Sec. 5. That if, in any one the said States, any person shall, during the year 1868, vote for any candidate for elector of President or Vice President of the United States, or shall act as an officer at any election for such candidates, every person so offending shall be deemed guilty of a high misdemeanor, and shall be liable to indictment and conviction thereof in any Court of competent jurisdiction, and shall, on conviction, be fined not more than one thousand dollars and be imprisoned not less than one month nor more than one year.

Sec. 6. *Be it further enacted*, That it shall be the duty of the President of the United States to prohibit any person from voting or acting as an officer of any election, contrary to the provisions his act, and, for that purpose, he shall employ a power of the army and navy of the United States, so far as may be necessary.

FROM WASHINGTON.

WASHINGTON, July 24, P. M.

The Radicals are not hopeless of prolonging the session, but as the case now stands, Congress must take a recess on Monday, unless the Senate concurs in concurrent resolution to the contrary. This action will defeat all current legislation affecting the South,—parliamentary tactics and pocket vetoes being regarded certain.

The two wings of the Republican party have been fighting over the Southern members.

They mostly unite with Butler's impeachment extremists.

Schofield will reorganize the Military Districts in a few days. Details not transpired.

TO LAND OWNERS.

HAVING BEEN APPOINTED, BY THE AMERICAN AGRICULTURAL AND MINERAL LAND COMPANY, Agent for all that part of North Carolina lying east of and including Catawba County, I am authorized to say, to any person or persons having 2,000 acres in one body, partially cleared and near a Rail Road, that if they will agree to subdivide their lands at the expense of the Company, the Company will purchase alternate lots at their assessed value for taxation or as ascertained by two disinterested parties, paying for the same in the Company's stock—the Company obligating itself to place a white settler on every 200 acres, so acquired, within three years, or, failing to do so, such land unsettled to revert to the original owner; the owner to retain possession until the land is settled.

The object of this system is to bring into the State an industrious and thrifty population and to enhance the value of our lands. It has been adopted in other States and is said to be working finely.

This Company was chartered by our Legislature of 1866. Land owners will please address me for particulars at Reidsville, N. C.

THE FALL SESSION of this institution will commence on Tuesday, the 4th of August, and continue twenty weeks.

BOARD: $70 per month, and other charges proportionally low. SIXTY DOLLARS must be prepaid by each young lady on entering, and the balance at the close of the term.

The Faculty is full and composed of able and experienced Teachers. The course is extensive embracing all the solid and ornamental branches taught in other Female Colleges. The religious advantages are unsurpassed.

This College is located between Salisbury and Greensboro', in one of the most beautiful and healthy towns on the N. C. Central Railroad, and is in two miles of the celebrated "Holton Chalybeate Springs." And at the additional expense of 25 cents per day any of the "College girls" can have the constant use of the water.

For Circulars, containing full particulars, address REV. D. R. BRUTON,

CLINTON MALE ACADEMY.

THE TRUSTEES OF THIS INSTITUTION desiring to establish permanently a School of the highest character have engaged the services of Professor B. F. GRADY and M. McLEOD, Esq., and now offer to the public a Seminary worthy of their patronage. Where the Principals are known, no words of commendation need be said in their favor. Long experience in teaching, united with those qualities indispensably requisite to the proper training of the youthful mind, render them eminently fitted for the duties of friend and instructor.

The situation is remarkably healthy; the community is universally regarded as uncommonly moral, intelligent and pleasant, and offers, therefore, many and superior inducements to parents and others, who are compelled to entrust the education of their sons or wards to others.

Any information that may be desired in regard to terms, &c., will be furnished with pleasure by either of the Teachers, or by the Trustees.

By order of the Board of Trustees.

THE NATIONAL DEMOCRATIC CONVENTION:

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the returns of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys draws from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secury negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance, and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star-chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to pack or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies, merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and if sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co-equal States; and that we regard the reconstruction acts (so-called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:—

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political conspect every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeing to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the State.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be *ex-officio* officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We must get *every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in Schedule B., except proprietary and playing card stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made may stamp it before it is used; and if used after the 30th of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any failure upon the part of the maker of an instrument, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: ammons, warrants, publication, &c., in which case these, as the original process, severally require stamps.

Writs of scire facias are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace, Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of an amount of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say, for every sum of five hundred dollars, or any fractional part thereof, of the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
